Subject: RE: Microsoft Settlement

Judge:

As a soon-to-be graduating college student, I would just like to voice my concern about the possible negative ramifications, should the Microsoft be allowed to continue in its present monopolistic trend. You have the fate of the free world in your hands, please seriously consider how truly monopolistic Microsoft is.

The proposed final judgement does not adequately remedy the situation.
Thank you for your time,

John Grauch
USC college student
